

Hello!

I am writing in support of redistricting District 1, where I live, to reflect liberal values of nearby Portland and Beaverton. I live in Scappoose, OR and would like to support any and all maps that keep the southern portion of Columbia county to remain with northern Washington county and western Multnomah county.

These are the maps I support for redistricting:

Congress - Plan A

House - Plan C

Senate - Plan C

Thanks,
