

Of the plans drawn up by the Democrats and Republicans, I am choosing the proposed Republican plan. It is the only one that gives the opportunity for more voices to be heard--not just the most populous voices. One party rule is not serving Oregon well. It is time for all the people of this state to be represented in the governing of Oregon. Otherwise, you are just dictators. As the saying goes, "**Power tends to corrupt, and absolute power corrupts absolutely.**"
