

Ladies/Gentlemen:

I am in favor of Plan B! Our rural Central Oregon district has no business being included with any part of Multnomah County! We are of a completely different fiscal, demographic, even ecologic existence. We are rural - Multnomah County, Portland in particular, is a large city with very different concerns/expectations.

PLEASE, respond with a vote in favor of Plan B for redistricting!!

Respectfully,
Shelley Marie
Jefferson County Resident
