

I am a resident of Sandy, Oregon. 45855 SE wildcat Mountain Dr, Sandy, OR 97055. I object to the proposed plan as referenced. I agree with the statement below and submit my objection to the redrawing of the boundaries as proposed, I am in favor of Sandy being moved back into HD 52.

WHY: Because of the location of Sandy, Brightwood, Welches and Government Camp it makes absolutely no sense to follow the proposed District 3. We are a community that works. The families are connected in all the right ways. The economic and social benefits of the families, business and laws work. With all the challenges Oregon faces economically and socially you are messing with a community that work. We also support the areas and towns around us as a community bonded.

AGREE; House District Map C doesn't follow Oregon law as it splits the Oregon Trail School District into 2 districts (new 52 and 18) and splits the city of Sandy into two districts. It also splits the city of Sandy from the mountain communities (Brightwood to Govt Camp) when the law requires communities of interest and political subdivisions to be in the same district. Mountain community residents use Sandy medical, social service, parks and recreation, grocery stores, local businesses offerings, and schools as their resource center. We are neighbors and should not be split by an imaginary line. There is a simple solution to Map C. Remove Mosier and The Dallas in Wasco County which have no connection with us AND PUT SANDY ENTIRELY BACK INTO NEW HD 52
