Subject – Oregon Redistricting – Resident of Congressional District 4

My name is Eric E. Hill, I'm a 5th generation Oregonian, who was born and raised here. As were our ancestors dating back to my knowledge to 1847. I am a father, small business owner, and an Oregonian who is tired of the politics being played. It is not fair that our population in rural Linn County Oregon has been unrepresented. We grew up using guns for instance, and now the latest executive order from Kate Brown makes it supposedly unlawful to have them accessible to my daughters – who are safe and responsible.

I write in hopes of redistricting being done in a fashion that our community is fairly represented.

I want to submit my testimony concerning the Redistricting happening in Oregon. I would prefer to not have to go protest at the capital, so am writing in hopes that you get it right. After reviewing the plans I feel that Plan B is the best option for Congressional districts in our State. I also feel that the Senate districts that are presented in Plan B are best suited for our State. The house districts presented in Plan B also demonstrate the best options for our State

My picks:

Congressional district – Plan B

Senate Districts – Plan B

House Districts – Plan B

Thank you for documenting my testimony.
