

Dear Members of the Redistricting Committee:

The University of Oregon is an important community of interest that should be preserved in redistricting to ensure effective representation. The proposed "Map A" divides the University into three different House Districts and three different Senate Districts – exactly what the redistricting law seeks to prevent. I support "Map C", which preserves the University as a community of interest and ensures its effective representation.

I am an Oregon alumna, Class of 1970, retired UO staff of 36 YEARS, and a 43-year resident of Springfield.

The University of Oregon has much to offer this state as a vital and unified institution.

Sincerely,

Charlene Yogi
