

Dear Chair Taylor, Co-Chair Salinas, Co-Chair Boshart-Davis, and Members of the Joint Committees on Redistricting,

I reside in northwest Lane County, 20 miles north of Florence.
Congressman Peter DeFazio represents this area for CD4 in the US House of Representatives. Rep Boomer Wright is the current State House District 9 Representative for this area.

For **US Congress** and the difficult work of redrawing lines to add a 6th District, **I prefer Congress - Plan A.**

For **State House District 9, I prefer House and Senate Plan C** because it keeps the greater Florence rural area together in the same District as the City of Florence (as they currently are). Plans A and B would place a boundary at the edge of the City of Florence and divide the School District, Siuslaw Fire & Rescue, and other agencies and groups that represent the area.

Thank you,
Karin Radtke
