

Good afternoon, Co-chairs, vice president And members of redistricting Oregon. My name is Yolanda Torres, I have live in Oregon since 1998 , in Washington county , in Beaverton district 1, and I love it. Two of four kids were born here at the Saint Vincent Hospital. I have raised my family here, and they have been really happy in this county. We just love it the way it is, my community, the bilingual schools where my kids learned to read and write in Spanish, I just want you to let you know that please don't separate Beaverton from Washington county. And to let you know that I support plan A for my city. Thank you very much for this opportunity to be heard on this project.. I hope you guys take the best decision on this matter .. god blessed you all.
