

To Whom It May Concern:

We are retired and semi-retired citizen voters of Yamhill County, District 12.

We are contacting you because redistricting is important to us. It isn't fair that many marginalized populations have been unrepresented. This is the opportunity to change that so that ALL Oregonians are represented fairly.

Maps that under populate the metro districts and push urban area voters into rural districts while overpopulating these same rural districts limits representation for rural voters and is a clear sign of gerrymandering.

Partisan gerrymandering with redistricting is a legitimate possibility in Oregon, and we are concerned about it because we believe in equal representation, and in everyone's voice being heard. We want to live in a state where we can trust the system and our democracy, to elect officials who truly represent the people.

We looked over the proposed maps and the House/Senate/Congressional Map B are the best maps to enfranchise folks who've been left behind and left out of the democratic process. Both urban and rural populations deserve fair representation and House Map B accomplishes that task.

Please support House map B, Senate Map B, and Congressional map B to ensure fair representation of all Oregonians is met. This is the right and fair thing to do.

Thank you
