

To whom it may concern,

Hello, my name is Aaron Faherty. I am a current resident of Jefferson County Oregon. I am writing to give you my input on the current redistricting proposal. I am in favor of Congress Plan B. I feel my voice will be heard with the people of Central and Eastern Oregon. I don't feel like it will benefit the constituents of Jefferson County to be grouped with parts of Multnomah county, a completely different demographic. Thanks for your time. Have a great day!

Best Regards,
