

Redistricting Committee

Please do not unfairly mix metropolitan areas with rural areas during the redistricting discussions.

Rural Oregonians are all ready squelched by the large populations of voters within the larger cities. Our way of life is being threatened by folks who have no idea about the rural way of living and working.

I live and work within; Congressional District 4, Senate District 9 and House District 17.

By this letter I support and urge approval of; Congressional Plan B, Senate Plan B and House Plan B.

These plans I mention, will help to preserve communities of interest, where residents have common political beliefs. These are good geographical areas that would maintain fairness within our political system.

Thank You
