Oregon Redistricting Committee:

One of the obstacles of being a rural part of Clackamas County is that we are often grouped into the Portland Metro when it's convenient. In Clackamas County we are often grouped into the Tri-County Portland Metro area when it's convenient, but now Map A would take part of Clackamas County to Portland Metro when it's convenient to benefit map A.

I believe we need to Keep transportation consistencies together that are already formed. I know that Clackamas County transportation needs are completely different than the transportation needs of Multnomah, Marion or Washington County.

I support:

Congressional District B

Senate District B

House Districts B

Thank You,
