My name is Lori Boshart and I'm from Congressional District 4.

I'd like to thank each of you on the committee for your time and for the opportunity to give my statement on redistricting.

I'm from House District 15 and to clarify, yes - Shelly Boshart Davis is my representative and my daughter. That being said, you are probably thinking that I would of course choose **Plan B**. You are correct that **I choose Plan B**, but not for the reasons you have probably assumed.

I have chosen **Plan B** because both Plan A and Plan C do not follow the state constitution in their maps as drawn. Whoever drew Plan A and Plan C have divided communities of common interest in those maps and have obviously drawn those maps for the purpose of favoring a political party, which was so very obvious even before nonpartisan analysts from PlanScore, fivethirtyeight, and The Oregonian/Oregonlive publicly posted their conclusion of the same.

We need fair and equal redistricting for the fair representation for all of Oregon. For this reason, I ask that **Plan B** be chosen as the new map for Oregon.
