

Dear Legislative Redistricting Committee:

I recommend keeping the City of Sandy, the Oregon Trail School District, and the mountain communities together as part of HD52.

The House District Map C doesn't follow Oregon Redistricting Law 188.010 Criteria for apportionment of state in congressional and legislative districts.

(c) Utilize existing geographic or political boundaries.

Map C splits the City of Sandy into two districts. It splits the Oregon Trail School district into two districts.

(d) Not divide communities of common interest.

Map C divides the mountain communities from Sandy. The mountain communities come to Sandy for medical care, parks, recreation, gyms, grocery stores, and other shopping.

(e) Be connected by transportation links.

Highway 26 goes through Sandy and to the mountain communities.

Please follow Oregon Redistricting Law and keep the City of Sandy, the Oregon Trail School District, and the mountain communities in HD52.

Thank you.
