

Senate Chair Taylor, Vice-Chair Knopp, House Co-Chair Boshart Davis, Co-Chair Salinas and Committee.

Thank you for the time you, staff and many others have put into this redistricting effort.

My name is Ryan Glaser and my pronouns are he/him/his. I'm a farmer, husband, community member, and a fifth generation Oregonian. I want to submit my testimony concerning the redistricting happening in Oregon. This will affect our State for the next 10 years, it needs to be done right. After reviewing the plans I feel no plan is perfect but Plan B for the Congressional, House and Senate districts are best for our State.

When drawing new district lines there are very specific guidelines in the Oregon Constitution. Oregon as a state is very diverse and it's a great thing. When it comes to drawing new district lines diversity should not be factored into this. The law states that communities of common interest should be kept together. I hope you keep this in mind when you create the final maps.

The maps I think do the best job representing the people of Oregon are:

Congressional District – Plan B

Senate Districts – Plan B

House Districts – Plan B

Please create these maps in a way that represents specific areas, allowing Oregon to bloom over the next 10 years.

Thank you for your time and documenting my testimony.
