

To: Co-Chairs Taylor, Salinas, and Boshart-Davis, Vice-Chair Knopp, and members of the redistricting committees,

I have lived in Gresham for the past 6 years, and I want to thank the committee for the hard work to produce thoughtful, nuanced, and fair maps. I know there are a lot of complexities to drawing new district lines.

I have reviewed both the congressional district maps and the legislative district maps, and I want to express my strong preference for Congressional Plan A and the Plan A maps for the state Senate and House districts. Particularly for my community, CD-3, SD-25 and HD-50, the districts most closely follow natural boundaries and maintain important communities.

The Plan B maps are particularly gerrymandered in our location as well as other parts of the state.

Best Regards,
