

Hello,

My name is Mary Nauha and I am a member of House District 32, Senate district Congressional District 1. I am a lifelong resident of Oregon and have lived in Knappa, just east of Astoria on Highway 30, for over 20 years.

I am in favor of Plan B for the redistricting for our district because it most closely represents the objectives of representing those of common interests together and dividing along major transportation byways.

Please vote for Plan B for District 1 and thank you for your time.

Regards,

Mary Nauha
