Data from 2021 USDVA
Report

Aging Veterans and Suicide

Over 50% of Oregon Veterans are 65 or older

- Younger veterans have the highest rate of suicide among veterans, but
 - Veterans 55 and older represent the largest number of suicides.
- Suicide rate for older veterans is higher than that of older persons in the general population.

Veteran Suicide Risk Factors

- Challenges with transitioning back to civilian life, and personal relationships
- Loss of purpose and/or comradery they had while serving
- Effects of aging
- Homelessness
- Unaddressed chronic health conditions stemming from military service
- Underlying mental health conditions or substance use disorders
- Effects of PTSD, Military Sexual Trauma, and Traumatic Brain Injury

Federal VA Mental Health Services

- Veterans Crisis Line: 1-800-273-8255, Press 1
- Vet Centers – 70% of staff are Veterans
- VA Hospitals: White City, Roseburg, Portland
- Community-based outpatient clinics (CBOCs)
- VA Tele-health Program

ODVA Initiatives

- Charitable check-off allocations
- Collaborate with OHA to support behavioral health focused Veteran Service grants
- Funding support programs such as Rural Veteran Transportation Grant to help support veterans.
- Ongoing communication and engagement efforts focusing on inclusion of veteran voice, COVID specific outreach, Afghanistan withdrawal specific outreach.

ODVA and the Oregon Charitable Checkoff Program

- Veterans' Suicide Prevention – Charitable Checkoff Program
 - Donations through Oregon Dept. of Motor Vehicles
 - As of 2020, \$341,971 received for veteran suicide awareness and prevention
- Since 2018, ODVA has awarded grants to counties and tribes for Veterans' suicide prevention programming.
- Also helped fund Lines for Life – Veteran Suicide Prevention annual conference.

ODVA Veteran Service Grants

- 2018 and 2020 ODVA Veteran Service grants address factors often contributing to Veteran suicide, thereby helping to prevent Veteran suicide.
- Examples of prior grantees:
 - Crossroads Communities (Lebanon, Oregon)
 - Camp Divide (Wallowa County)
 - The Tanner Project (Marion County)

Rural Veterans Healthcare Transportation

- The Rural Veteran Healthcare Transportation (RVHT) Program – established 2019 by SB 5538.
- Provides transportation at no cost to the veteran to VA facilities, non VA health and behavioral health appointments, pharmacies, and other health-related needs.

ODVA's Focused Communications During COVID

- Aging Veteran Services (AVS) Volunteer Program had just begun to pick up when COVID-19 started.
 - Shifted focus to outreach to aging populations most at risk.
 - Created brochure with information about Veterans' benefits, and that volunteers are available to answer questions. Was included in Meals on Wheels home deliveries.
- AVS Conservator and Rep-Payee staff have reached out to our clients in a number of ways since the start of the pandemic

Communicating “You Are Not Alone”

- ODVA using multiple media (radio, social media, e-newsletters, newspapers) to get out the message: You are not alone.
- ODVA pushing the message to veterans to seek help, reach out to someone, buddy check, and access resources

Oregon Health Authority Initiatives

- Military Culture & Suicide Prevention Trainings
- Vet/Mil focused Mental Health First Aid (MHFA)
- Expansion of Veteran Behavioral Health Peer Support Specialists (VBHPSS)
- Financial support and technical assistance to Community Based Organizations, Tribal Veterans, and other small grant awards
- Adult Suicide Intervention Prevention Plan (ASIPP) vet/mil workgroup
- Vet/Mil specific ECHO
- Zero Suicide Grant
- Garrett Lee Smith Grant

Lines for Life

- Military Helpline 888-457-4838
 - Funded by ODVA
 - Serve anyone and everyone in the military connected community:
 - Operated independently, not affiliated with DoD or VA.
 - Calls answered by Veterans and folks trained in military culture
 - **The helpline is able to de-escalate 95% of suicide phone calls, helping callers find a way forward w/out intervention of emergency services.**
