 - Finding them a place to live

Federal Response to Afghan Arrivals

- Due to the evacuation of U.S. forces in Afghanistan, tens of thousands of Afghans are expected to resettle in the U.S.
- Arrivals will include refugees, Special Immigrant Visa holders, and parolees
- The Federal Bureau of PRM was tasked to create the Afghan Placement and Assistance Program (APA). The APA is to mirror the current R&P Program.
- ORR expanded service eligibility for Afghan Humanitarian Parolees and certain parolee spouses and children.

Afghan Arrivals in Oregon

Since September, ODHS' Refugee Program has convened weekly Afghan response meetings with RAs, Afghan community leaders, community partners, and other government agencies (state, county, and city) to help coordinate resources and services for Afghan arrivals.

Oregon began receiving Afghan arrivals in October.

Emergency Management Unit Response

- Under Oregon's emergency management plan, ODHS supports local efforts in mass care in an emergency
- ODHS was assigned to provide mass care services (shelter in the form of hotel rooms and meals) for Afghan arrivals resettling in Oregon
- Additionally, we will provide culturally and linguistically capable Shelter Liaisons who are a conduit between those in shelter and the hotel
- Sheltering primarily in Clackamas, Lane, Marion, Multnomah, and Washington counties. Potential to extend down I-5 corridor and the Bend/Redmond area.
- On Nov. 10, shelter was provided to 47 Afghan arrivals in 17 rooms throughout seven hotels

Afghan Arrivals Workgroup Recommendations

- **Emergency Management Unit** – Sheltering and Feeding Mission
- **Case Management & Community Based Outreach and Support** – Subcontract with RAs for case management and with community-based organizations for culturally-responsive outreach and support
- **Housing Assistance** – Refugee Housing Coordinator position as well as rental assistance
- **Legal Services** – Support from knowledgeable and qualified experts in the process of seeking a permanent immigration status such as affirmative asylum

Expanding Refugee Resettlement Infrastructure

Refugee resettlement activities declined during the previous administration due to lower annual determinations which in turn prompted a drawback of resources. The Biden Administration has since increased the refugee cap, but funding and capacity remain major issues.

Ongoing Challenges

- Additional funding for increased caseload
- Long term housing capacity
- Resources and services for those who are initially ineligible for ORR programs

The seal of the State of Oregon is a large, circular emblem in the background. It features an eagle with wings spread at the top, a ship on the water in the middle, a plow and sheaves of wheat at the bottom, and a banner that reads "THE UNION". The words "STATE OF OREGON" are written around the top inner edge, and "1859" is at the bottom. The entire seal is rendered in a light blue color against a dark blue background.

Thank You
