BEHAVIORAL HEALTH SUMMIT: DEFLECT, DIVERT, AND ENGAGE JUSTICE-INVOLVED INDIVIDUALS

Envision a Person-Centered Partnership

Part 1: December 2021 (On-Demand) – Learn & Provide Input

Part 2: January 6 - 7, 2022 (Live) – Collaborate on the Model

Help envision a person-centered and integrated system that can address the needs of individuals at risk of entering the justice system, in the justice system, and transitioning from the justice system by:

- Breaking down funding and service silos
- Increasing deflection and diversion from the criminal justice system
- Ensuring appropriate housing and services
- Supporting continuity of services when exiting the justice system
- Incorporating an equity lens in all aspects of an integrated system

Hosted by the Oregon Judicial Department
