Members serve four-year terms and at the pleasure of the Governor. A member may not serve more than two full terms. The board must select one of its members as chairperson and another as vice chairperson, for such terms and with duties and powers necessary for the performance of the functions of such position as the board determines. A majority of the members of a board constitutes a quorum for the transaction of business. The board must meet at least four times per year.⁵

Duties and Authority

The board assists the Director of the Department of Consumer and Business Services in administering the state electrical and elevator programs.⁶ The board must:⁷

- administer and enforce the state's Electrical Safety Law;
- select two members to serve on the Construction Industry Energy Board;
- review amendments to the electrical provisions of the Low-Rise Residential Dwelling Code;
- adopt rules as required to administer the Electrical Safety Law, including rules to administer licensing, certification, registration of regulated persons, and the sale and regulation of electrical permits;
- receive, review, and make determinations on appeals; and
- adopt and administer standards for the delegation of a municipal electrical inspection program.

The board may:⁸

- adopt rules to administer the licensing, certification, or registration of persons regulated by the Electrical Safety Law;
- deny a license, certificate, registration, or application or may suspend, revoke, condition, or refuse to renew a license, certificate, or registration if the board makes specified findings;

⁵ ORS 455.146 (2019).

⁶ ORS 455.138 (2019).
