

RENTAL ASSISTANCE

HOLIDAY GREETING'S

I am on hard times I'm a senior citizen 60 years of age with many, many health problem's that require a lot of out of pocket expenses. I am STILL waiting to hear back from RENTAL ASSISTANCE. I was issued a IDENTIFICATION NUMBER [REDACTED], but still waiting!!

I like to be recognized as a human being instead of a number!!

I appreciate ALL of help on this very important matter,

STAY SAFE!!!
