Oregon's Bottle Bill: A Cooperative Approach

How Oregon's Most Prominent Public-Private-Partnership Delivers Outstanding Recycling Outcomes

Eric ChambersExternal Relations Director
Oregon Beverage Recycling Cooperative

Bottle Bill: A Brief History

A private system run by distributors, founded on retail returns

1971

5¢ deposit "aspirational and not prescriptive"

2010

BottleDrop Redemption
Center introduced

2017

Increase to 10¢ deposit

2020

Retail bag drop program expands

2009

OBRC created – privately run

2016

Reusable bottle planning begins

2018

Expansion, huge increase in container volume

Reusable program launches

First Express site opens

The Power of a Dime

10¢ Sparks Huge Demand

Redemption rate went from 64% to over 82%

(now around 90%!)

Keeping pace with the industry

In 1971 Far fewer beverage and container types

in stores

Today

Applies bottle bill to reality of beverage market

BottleDrop® OBRC

Efficiency in Numbers

The Oregon Beverage Recycling Cooperative operates with...

\$46.4m

operating budget (2020)

2,500

retail redemption locations (~450 total RVMs)

~2 billion

containers/year recycled

84

Green bag drop sites (25 full-service centers)

259

members and participants

5

processing plants

532

employees throughout Oregon

Zero

taxpayer dollars

BottleDrop Redemption Centers

Clean, fast and easy returns

- Single-purpose, indoor facilities
- 25 full-service redemption centers
 - Two currently under development
 - Possible because of return to retail requirement
- Largest center accepts approx. 100 million containers/year
- ZERO taxpayer dollars

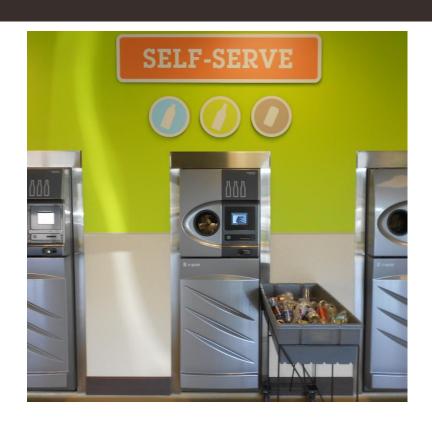

High volume self-service

Majority of containers through RVMs and High-Speed Counting

- Centers can have as many as 15 or more RVMs depending on volume
- Customers can redeem up to 350 container/person/day - more than at stores
- Cash dispensers on site allow for immediate refund access

Green Bags

The easy self-serve account program

- Gear up. Customers enroll, get card and tags at kiosk, and buy bags at store
- Tag & fill it. Place coded BottleDrop tag on bags and fill with redeemable containers
- Drop it. Leave bag at secure drop door
- Track it. Check account balance online or with our mobile app

Express/Dealer Redemption

Expanding access throughout the state

- Smaller volume markets and urban areas
- Expanded access to green bag accounts and no fee for bag drops
- 59 locations operating
- New locations added to the network at the pace of one or two per month

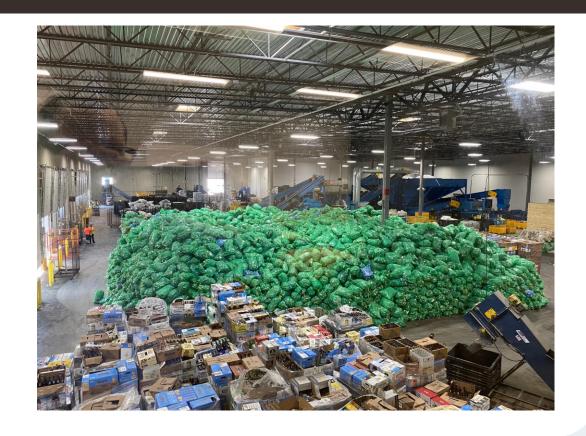

Green Bag Volume

Convenience and Results

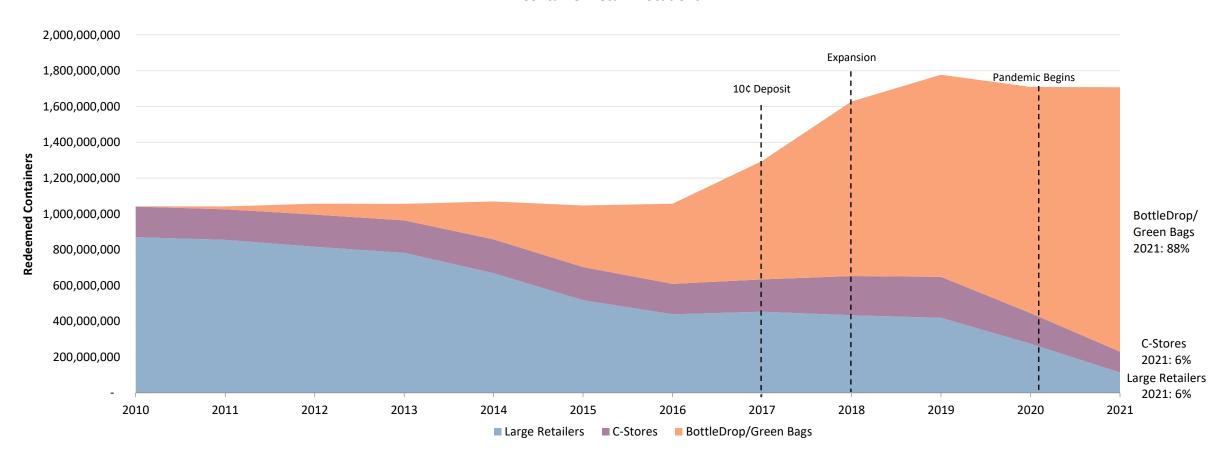

Currently over 800,000 **BottleDrop Account Holders**

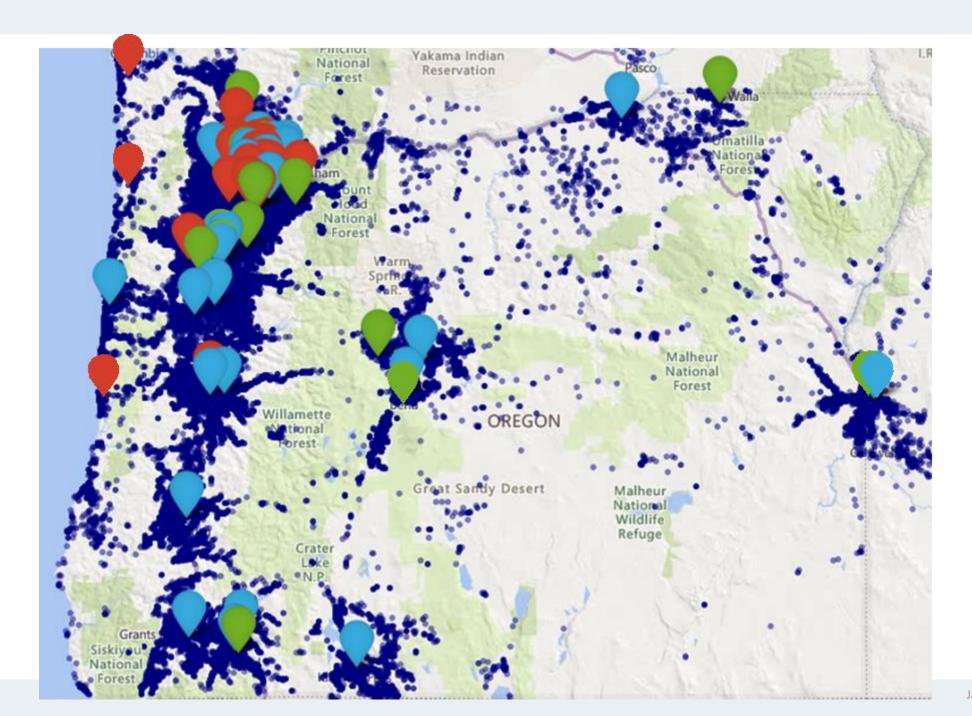

- 5.2 million bags in 2019
- 8.3 million bags in 2020
- 9.6 million bags through Oct. 2021
- On pace for over 11 million bags in 2021

Container Returns by Location

Container Return Locations

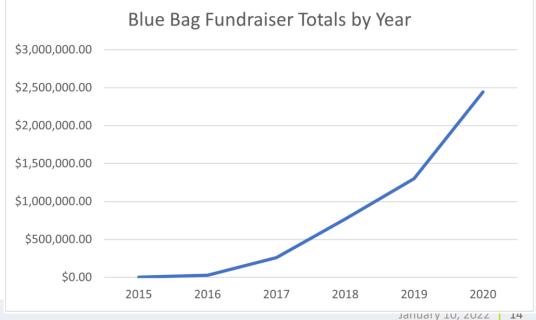

Blue Bags

Redeem yourself, support your cause

- Non-profits:
 - Enroll as fundraisers
 - Distribute Blue Bags
 - **Drop** full bags at a BottleDrop
 - Collect a check
- Over 4,000 nonprofits raise over **\$5 million** each year to support community efforts across Oregon. Over **\$16 million** raised to date.
- Growth has been exponential. In just the first 9 months of 2021, nonprofits raised over \$4m, fully a third of the amount that had previously been raised in the program's 11-year history.

Fundraising Powerhouse

PUPLANDIA DOG * RESCUE

- Successfully engage supporters in an "evergreen" fundraising campaign
- Raised ~\$50,000 through bottle and can donations in 2020

A Recycling Motivation for Everyo

Options bring Outcomes

- <u>Litter remediation and recycling</u>
 <u>outcomes:</u> Grade-A uncontaminated stream of materials for domestic recycling
- •Financial: Immediate Cash at an RC or store
- More affordable groceries: 20% more in store credit through BottleDrop Plus
- <u>Tenacious nonprofits:</u> Donate to charity or fill Blue Bags
- <u>Saving for College</u>: Directly link your BottleDrop account to an Oregon College Savings Plan account

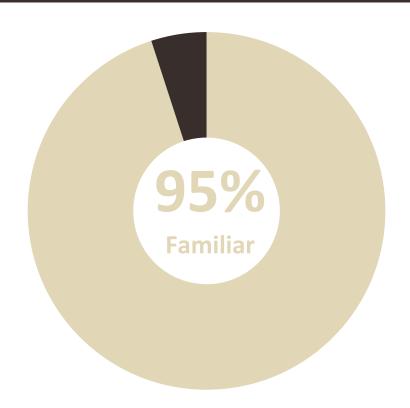

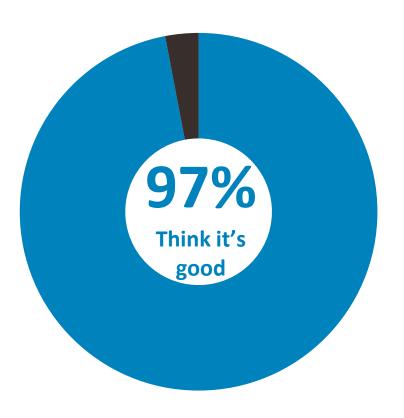

Oregonians are familiar with the bottle deposit and return program.

And they agree that it is good

Where Does the Material Go?

Keeping the cycle close

Plastic: 100% processed at ORPET facility located in St. Helens (~30 million lbs. of plastic last year)

Glass: 100% processed in Oregon and made into new bottles (including refillables!)

Aluminum: 100% processed domestically

Refillables/Reusables

Building on the infrastructure

12 participating breweries, cideries and wineries so far

Lower cost for producers

Fraction of the carbon footprint of even recycled glass

About 1.5 million units in circulation

BottleDrop

Refillables Participants

Off to a strong start with some of the Northwest's best

Thank you.
