

Feedback on Outstanding Design Element: Medicare
Joint Task Force on Universal Health Care
March 2022

The paraphrased comments below were shared in response to the Medicare Outstanding Design Element draft recommendation discussed at the March 10, 2022 Task Force meeting.

TF Member	Comment (paraphrased)
Sam Metz	<ul style="list-style-type: none">- “Scenarios” is unclear. “Options”? “Steps”?- Replace “order of operation” with “priorities.”- Make clear who is going to do what, when.- Emphasize exactly what the Task Force is recommending.
Warren George	<ul style="list-style-type: none">- Consider new CMS demonstration “REACH ACO” as a potential pathway.
Bruce Goldberg	<ul style="list-style-type: none">- Explore options available with Sec 1332 of the ACA.- Consider “Scenario B.”
Chad Chadwick	<ul style="list-style-type: none">- Statewide Medicare Advantage- Would need to be “opt-in”
