# ODOT Supports Oregon22

---

- **Communication:** Informational and welcome messages on VMS. Mobile message boards will give directions. All information will also be on TripCheck, with a link to the Oregon22 website.
- **Construction project pause:** Projects that could have a major impact on traffic attending Oregon22 are on hold for three weeks in July.
- **Enhanced travel experience:** Increased cleaning and repainting curbs and medians, trash and graffiti removal, mowing, and other efforts are underway.

# Statewide Readiness

---

- ODOT Incident Responders and Maintenance Crews are proactively stationed and scheduled and are ready to respond to assist with crash response and traffic flow.
- Advanced planning with law enforcement, EMS, cities, and counties.
- Detour routes planned out in advance.

# Getting Around Oregon

---

- Increased bus service between Portland and Eugene.
- Amtrak Cascades on its regular schedule.
- Coordinating with transit partners throughout Oregon to meet the need.

# Thank you.
