Update on SB 1536 Implementation

Christy Splitt
Government Relations Coordinator

Senate Interim Committee on
Housing and Development
June 2, 2022

SB 1536: HEAT RELIEF OMNIBUS

Some of the major provisions of SB 1536 as passed with HB 4058 components:

- Removes barriers on renters installing cooling units (SB 1536)
- Requires new rentals to include cooling (SB 1536)
- Cooling spaces funding for both local governments and landlords (SB 1536)
- Emergency Air Conditioner Deployment (HB 4058)
- Modest changes to Healthy Homes Program (HB 4058)
- Two heat pump incentive programs (SB 1536 and HB 4058)

SB 1536 at ODOE

- Cooling Spaces Program for Landlords - Energy Trust of Oregon
- Study on Cooling Availability in Affordable Housing
- Heat Pumps for Renters Program
- Heat Pump Deployment Program

HEAT PUMPS FOR RENTERS PROGRAM

Total State Investment: \$15 million

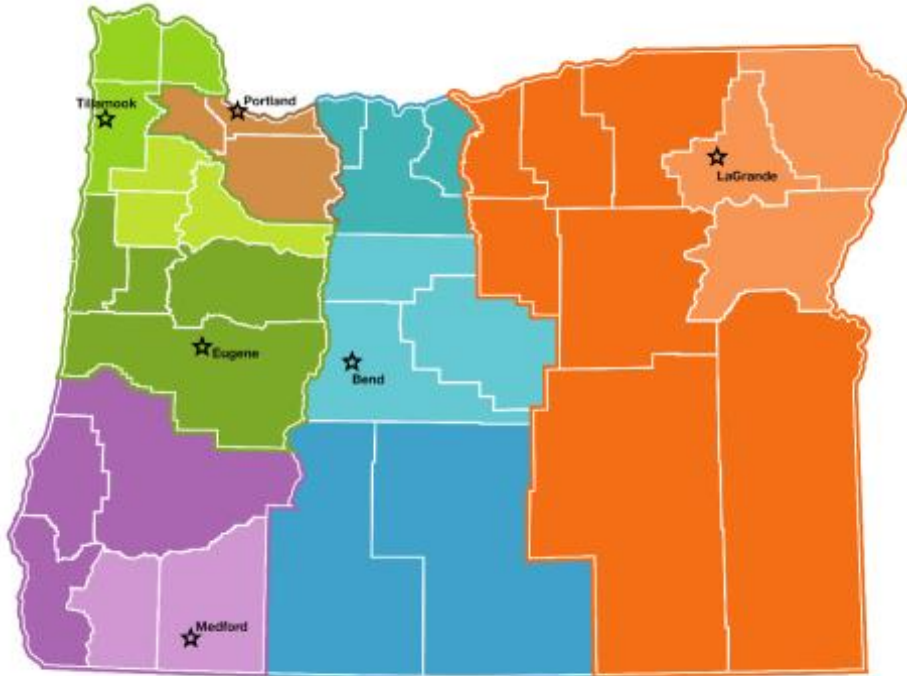

- Landlords work with contractors to apply for rebates
- Includes funds to be used for necessary electrical upgrades
- Shared responsibility: can cover up to 60% of the cost of the heat pump
- Sunsets January 2025

HEAT PUMP DEPLOYMENT PROGRAM

Total State Investment: \$10 million

- Regional administrators contract with ODOE and design a heat pump deployment program that works best for their region
- Up to 100% of heat pump costs can be covered
- Prioritizes:
 - Homes with no cooling or heating
 - Homes with “bulk fuel” heating – oil, wood, etc.
 - Environmental Justice Communities

The 11 regions used for this program are based on the Regional Solutions map.

Next Steps:

- Hiring Staff
- Internal Planning
- Public Engagement
- Rulemaking
- IT Development
