

HereTogether Briefing
June 2022

HereTogether strives to create a Portland region where homelessness is rare and brief by advocating for near term & permanent solutions, systems change and accountability.

In 2020, our coalition successfully developed and passed the largest per capita investment in homeless services in the county, the Metro Supportive Housing Services measure.

Total Investments: 2020

\$91.1 million

Multnomah County

\$12.8 million

Washington County

\$6.6 million

Clackamas County

Total: **\$110.5 million**

SHS Projected Investments: 2023

\$90.8 million

Multnomah County

\$66.8 million

Washington County

\$42.7 million

Clackamas County

Total: **\$200.3 million**

Metro's Supportive Housing Services (SHS) Metrics

July 1, 2021-Dec 31, 2021

1,031 Supportive Housing Units
1,640 Shelter Beds
456 Permanently Housed
1,406 Provided Eviction
Prevention

Total: **4,533** people have a safe
place to sleep at night.

Through June 2022

New outreach teams
connecting **2,000** people
with mental health and
housing resources.

2,400 people permanently
housed.

Advocacy ahead

- 2022 Roadmap
- Tri-County Planning Body (TCPB)
- Regional Long-Term Rental Assistance (RLRA)
- Better Data Coordination
- Workforce Pipeline

Narrative Change:

Our community's conversation around homelessness has shifted.

- Our communications efforts are more important than ever
- We're seeing many solutions being pushed
- Decades-in-the-making crisis requires solutions backed, outside the box thinking
- **We need all three:** shelter, affordable housing and wraparound services.
