

SUBCOMMITTEE RECOMMENDATION

Item 8: Public Defense Services Commission Facilities Manager Reclassification

To: Emergency Board Full Committee
From: General Government Subcommittee
Carrier: Senator Steiner Hayward

The General Government Subcommittee recommends that the Emergency Board allocate \$94,155 from the Emergency Fund to the Public Defense Services Commission to fund the reclassification of a Procurement Analyst 1 position to a Manager 2.

PDSC administratively reclassified the position in August 2020 outside of the budget process based upon a Human Resources review of the position classification after the number of agency locations expanded to three. Since August of 2020, PDSC has been self-funding the differential cost of the reclassification at \$94,155 per biennium. PDSC is requesting to align the agency's administrative action and budget authority.

The Subcommittee recommends approval.
