

## **SUBCOMMITTEE RECOMMENDATION**

### **Item 9: Oregon State Treasury Trust Property Positions**

---

To:           Emergency Board Full Committee  
From:        General Government Subcommittee  
Carrier:     Representative Fahey

---

The General Government Subcommittee recommends that the Emergency Board increase Other Funds expenditure limitation by \$177,320 to fund the reclassification of four positions and the addition of months to two positions (0.59 FTE) for the Trust Property Program to improve the supervisory ratio and streamline program operations.

Oregon State Treasury has does extensive analysis of the Trust Property Program’s operations since it transitioned to the agency at the beginning of the 2021-23 biennium. The request would establish a needed second full-time manager position and better align the reclassified positions with actual work being performed.

The Subcommittee recommends approval.
