Last updated 5/24/2022

- Legislative Policy and Research Office (LPRO) staff assemble background reading and reference materials for the members of the Joint Task Force on the Bridge Health Care Program.
- These readings are intended to support all members to be prepared with key terms and foundational knowledge during Task Force meetings. Because Task Force members bring diverse perspectives and expertise, a wide range of materials are included.
- LPRO staff will post background readings to the [Oregon Legislative Information System](#) (OLIS) prior to each meeting.
