Tribal Casinos in and Around Oregon

Oregon has nine federally recognized Indian tribes. Eight of these tribes operate casinos at 10 separate locations. Two of these locations are Class II casinos, which utilize bingo-based electronic games. The remaining eight locations are Class III casinos, which operate slot machines, table games, and, when authorized, may also operate Class II games. Select out-of-state casinos near the Oregon border are also shown. This map does not include video lottery retailers, card rooms, or other gambling related facilities operated by non-tribal entities.
