

Hiding / secret meetings to form a take over of individual's health care programs is criminal and a definition of socialism! Just keep up this form of far leftists behavior and people who do help pay Oregon state taxes now will be leaving Oregon in droves. All Oregon state will have is individuals who can Not contribute to Oregon in anyway! Oregon will have those who will cost the State, waiting to be taken care of! Any businesses will leave the state because the homeless and those alike cannot afford to eat out or spend money to shop! NO one will visit a dump which Oregon is already looking like, the broken down California! So go ahead with your secret meetings to force social medicine and watch what takes place.
