### **Item 43: Business Development Department Brownfields Cleanup Fund**

---

To: Emergency Board Full Committee  
From: Joint Emergency Board Subcommittee on Education  
Carrier: Senator Taylor

---

The Education Subcommittee recommends that the Emergency Board increase the Federal Funds expenditure limitation for the Business Development Department by \$3,900,000 to allow the agency to expend federal grant funds received from the U.S. Environmental Protection Agency for additional capitalization of the Brownfields Cleanup Fund.

The Brownfields Cleanup Fund is capitalized entirely by Federal Funds and is managed via a cooperative agreement between the Business Development Department and the U.S. Environmental Protection Agency. The grant funding was made available through the Infrastructure Investment and Jobs Act.

The Subcommittee recommends approval.
