OSH Update

Presented to
House Behavioral Health Committee
December 08, 2022
Patrick Allen, OHA Director

Intent of Federal Court Order

- Designed to reduce time to admission for people waiting for hospital care while in jail by
 - Prioritizing forensic admissions until the hospital reaches compliance with Mink/Bowman
 - Limits length of restoration in alignment with national data and clinical averages for restoration timelines.
- Mitigate state court litigation

Fed. Court Order – What does it do?

OSH admissions framework:

- Patients under aid and assist or GEI orders to be admitted per place on waitlist, unless expedited admissions criteria met.
- Precludes admissions of civilly committed patients, unless expedited admissions criteria met.
- Allows admissions of PSRB GEI revocations and persons pursuant to ORS 426.701 (extremely dangerous persons).

Limits restoration timelines at OSH effective 9/1/22:

- Limits length of restoration (LOR) for patients under aid and assist orders charged with **misdemeanors to 90 days**.
- Limits LOR for patients charged with **non-M11 felonies to six months**.
- Limits LOR for patients charged with **M11 felonies to one-year**.

No change for approx. 70% of patients under aid and assist discharges

- Discharges occur as usual for:
 - People found able or never able to aid and assist
 - People found to no longer need hospital level of care
 - People with their charges dismissed
- Discharge notices issued when people meet criteria above
- Approx. 67 patients discharged / month

OSH Discharge Coordination

- OSH Social Work services – Engage with community partners such as CMHPs, CCOs and Medicaid, throughout patient's stay to best prepare for discharge
- Benefit Coordination – Creating a regional Social Security expert liaison to expedite access to benefits. Medicaid eligible will have benefits from discharge for 3 months to help planning. Pilot project with CCOs on aid and assist notification
- OSH Admission and discharge services – Coordinating admissions with county jails and acute care hospitals. Coordinating discharges with courts, attorneys, jails and CMHPs in each county

Thank you.
