

No upcoming appointments

Welcome to My VA Health. Here, you'll find useful tools for working with your health care team to manage your health, including appointments, health records, and prescriptions.

For your best portal experience it's recommended that you use the following browsers: Firefox, Edge or Chrome. Each of these should provide an excellent portal experience.

Ensure your current email is in your Contact Information to receive Notification of new messages in My VA Health. Verify by selecting "Set up notifications" from the Settings menu accessible on the menu in the upper right of My VA Health next to your name.

My VA Health can be used alongside My HealtheVet for managing your care.
