APD Budget Note Summary

Explore federal funding for OPI and Family Caregiver Support in collaboration with Oregon Health Authority.

Convene an advisory committee and recommend design of program, benefit packages and federal approval.

Reported to Human Services committees by December 31, 2020; apply for federal waiver if budget allows, and if separate and distinct from existing Oregon waivers.

What is Oregon Project Independence (OPI)?

- Authorized at [ORS 410.410-ORS 410.480](#)
- Provides limited, in-home services for older adults age 60 and over or younger individuals with a dementia diagnosis:
 - Individuals must meet the state's expanded level of care called [Service Priority Levels 1 -18](#);
 - 12 counties also provide a pilot program for adults with physical disabilities under 60;
 - Budget is \$28 million GF; and
 - Serves approximately 3,500 individuals.

What is Family Caregiver Supports (FCS)?

Provides supports to family caregivers including:

- Information and assistance
- Training
- Counseling
- Support groups
- Respite services (a break from caregiving)

Services caregivers caring for someone who is:

- Age 60 or older
- Any age with Alzheimer's or a related disease
- Age 55 and older who are raising a related child
- Age 55 or older, including parents, who are caring for an adult with a disability age 18-59

Why Focus on OPI and FCS?

What is an 1115 Demonstration Waiver?

States may propose to test what Medicaid does not currently offer, such as:

- New services
- Expanded or limited benefit packages
- Consumers not otherwise Medicaid eligible

Must be budget neutral to federal government.

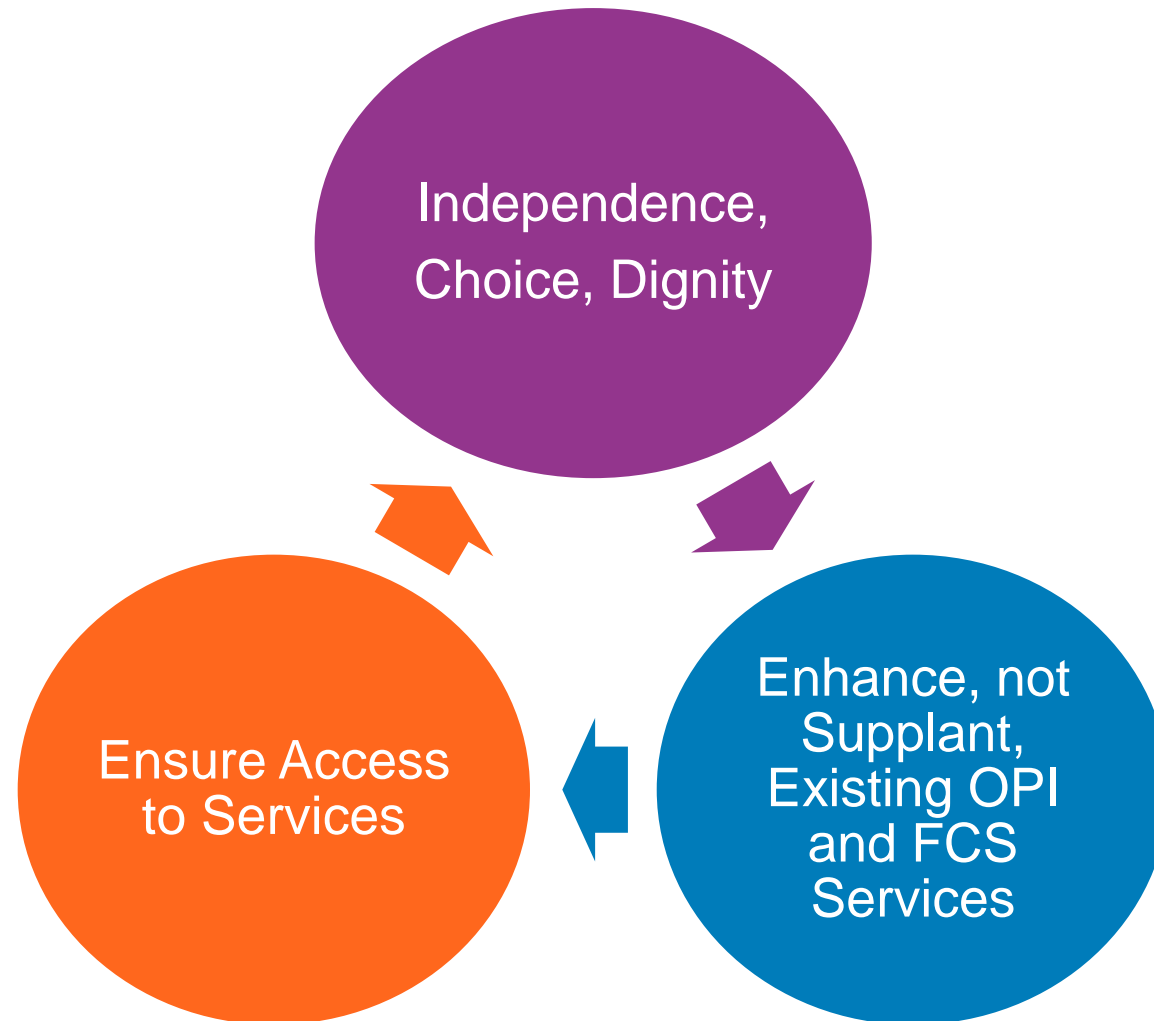

Typically runs 3-5 years, with possibility for renewal.
