**ISSUES DISCUSSED:**

**EFFECT OF AMENDMENT:**

No amendment.

**BACKGROUND:**

The Oregon Life & Health Insurance Guaranty Association (OLHIGA) was established in 1975 and is composed of all insurers licensed to sell life insurance, accident and health insurance, and individual annuities in Oregon. Membership is mandatory. In the event an insurer becomes insolvent, the Association pays claims to the policy beneficiaries. The cost of such claims is recouped by a matching assessment paid by each participating insurer. The insurers are then allowed to claim an annual corporate income tax credit that is equal to 20 percent of the assessment. The credit may be claimed for five years so that the entire assessment is covered.
