

TESTIMONY TEMPLATE

My name is Deloris Hardin

Dear Representatives Clem, Lewis, Marsh, and the Special Committee:

On the day I lost my home in Mountain View Estates Space #8, I had made Zucchini Bread and my next door Neighbor Dale, knocked on my door and said there was a fire on the Freeway and I should get some things together, Never thinking it was bad, I grabbed my Pills, Cat Food, Cat Courier and my Strong, All the sudden Dale was bounding on my door, saying you need to get ready to leave, I panicked Luckily I was able to get my cat, I grabbed what little stuff I had and got in the car thinking I was coming back!

Did not get any notification
only had cloths on my back
thought I would come back home

I'm still very sad, crying. Someday, I am in a friends basement Apartment. Feel rebuilding my mobile will be close to 200,000⁰⁰ which I don't have I did get Fns money, but not that much. I was hoping to get a Fema loan, but was told no if you build in the same place. I did not get any Fema help. I'm hoping I can buy a Regular small house but does not look good, the houses price increased by 129,000. Since last year. Scared need help with a low interest rate loan, Not sure what will happen can live here for a year -

Thank you for your attention to this important issue and to my story.

Need loan in west. Rate loans to rebuild Anywhere.

Sincerely,
Deloris Hardin
