Honorable Members of the  
Senate Committee on Redistricting  
Oregon State Capitol  
900 Court Street NE  
Rm. 453  
Salem, OR 97301

It is time for Oregon to have fair representative districts that reflect the interests of all of the people.

Oregon has suffered "gerrymandering" long enough.

The politicians in power have drawn their own district maps to continue party power. The maps have been manipulated to keep their party in control of legislation. This does not guarantee that the welfare of all of the communities of Oregon is being represented fairly.

California, Washington and Idaho have independent citizen redistricting committees. It is time for Oregon to have fair, representative districts that consider the interests and welfare of all of the people of Oregon.

Sincerely,

Dana Baugher
