

Hi my name is Daphne Oliver,

I'm from Clatskanie Oregon in Columbia County, 73494 Olson road .

We want equal and fair community redistricting . We have absolutely nothing in common with the metro area! Other than the highway.

I want representation that knows our rural Community. We don't want more of the metro area into our rural County when redrawing political boundaries.

Thank you .

Sincerely, Daphne Oliver Sent from my iPhone
