

To Whom it May Concern,

My name is Allison Nunnally, I currently reside in Scappoose, Columbia County Oregon.

I grew up in St. Helens. Columbia county has been my home for my entire life.

The beauty about our community is just that. Community.

A community that comes together when tragedy strikes, a community that takes pride and care in the beauty around us. Most residents here will tell you that a drive through the woods does their soul good.

The metro area is great as well but it's not for everyone.

As a Long time community member, I want equal and fair, community redistricting!

We are nothing like the Portland Metro Area.

Lumping Columbia County as such will destroy the tranquility and peace that is Columbia County.

We need to have a voice and representation that know our rural communities when re-drawing the political boundaries.

We need someone who will not bring more of the metro area into our rural community.

We need someone who will be our voice and leave Columbia County as it should be.

With respect,

Allison Nunnally
