Chair Lively,

Please accept the following agency responses to committee questions asked during Business Oregon's presentation on Emergency Business Assistance Grant program demographics on April 1, 2021.

**Rep. Ruiz: It would be helpful to get the actual number of people who own businesses and number of businesses that are owned by BIPOC members to go with the percentages.**

The following tables include all the numbers behind the percentages in the presentation charts.

*Note: Totals for ownership by sex, race, ethnicity, and industry do not equal total businesses that received grants due to some businesses not being classifiable because of missing or conflicting data.*
