

Dear Sen. Taylor and Rep. Salinas,

I live in CD 5, state SD 12 and HD 23. Zip code 97392

1. I do NOT want an independent commission to take over redistricting.

2. I like SoS Shemia Fagan's idea of using PSU population data rather than the delay proposal of Sen. Courtney and Speaker Kotek.

3. I would like my House and Senate boundaries moved north.

Thank you!

Aileen Kaye
