Transportation & Growth Management Program 2021 Pre-Application Packet

The Transportation and Growth Management (TGM) Program is jointly managed by the Oregon Department of Transportation (ODOT) and the Department of Land Conservation and Development (DLCD). TGM is primarily funded by federal transportation funds, with additional funding provided by the State of Oregon.

TGM serves local governments through a competitive grant program and other non-competitively awarded community assistance programs. TGM services include:

- **Grants** for transportation and land use planning projects ([page 2](#))
- **Community Assistance** ([page 6](#))
- **Code Assistance** for zoning ordinance updates to better integrate land use and transportation planning
- **Education and Outreach** community workshops, conferences, and speakers plans and assist with small-scale, multi-modal problem solving
- **TSP Assessment** to review whether and how to update Transportation System Plans and what to focus on

Funding

Transportation and Growth Management

Joint Program with Department of Transportation
