##### **BACKGROUND:**

In February 2006 the Governor's Taskforce on Equality in Oregon was established by Executive Order No. 06-03. The Governor charged the Taskforce with studying whether changes to Oregon law were necessary to guarantee that Oregonians are protected from discrimination in employment, housing, public accommodations and other opportunities, regardless of sexual orientation or gender identity. The Taskforce report, issued December 15, 2006, includes Recommendation 1: "It should be the public policy of the State of Oregon to prohibit discrimination based on sexual orientation." In 2007, the State of Oregon enacted the Oregon Equality Act (also known as SB 2), a law to protect lesbian, gay, bisexual and transgender (LGBT) people from discrimination.

House Bill 3041 A adds "gender identity" to all statutes that reference "sexual orientation."
