Subject: Rep Wallan's Question

Good Afternoon Cassie,

As a follow up to Representative Wallan's question to the Oregon Air Guard testimony to HVEM on 27 April. The 173 Fighter Wing located in Klamath Falls has approximately 560 drill status guard members or part-time members. As a part of the military record keeping, we do not track the civilian employer's name data for our Citizen-Airmen. However, the 173 Fighter Wing did a poll this morning and below are the most frequent responses from the drill status guard members:

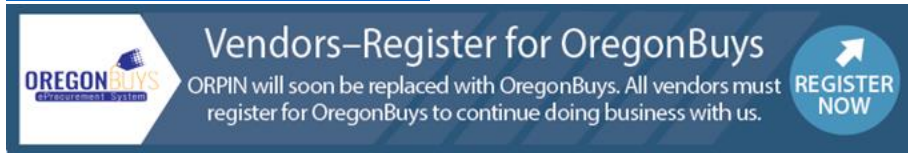

- Boeing
- U.S. Forest Service
- Army Corps of Engineers
- Bonneville Power Administration
- TACAIR (Tactical Air Solutions-our local REDAIR Contractor)
- FAA
- BNSF Railroad
- Raytheon
- Serco
- Accenture
- Microsoft
- Sky Lakes Medical Center

Additionally, the 173 Fighter Wing has a very large population of full-time employees in Klamath Falls. The 173 Fighter Wing has 1,188 full time employees contributing to the local economy. The data we have for public and private employers is:

Sector Unit	Employees
Sky Lakes Medical Center	1,461
173rd Fighter Wing Kingsley Air National Guard	1,188
JELD-WEN	968
Walmart Supercenter	300
Columbia Plywood Corp.	280
Collins Products LLC	250
Albertsons	133
Running Y	150
Home Depot	145
Kla-Mo-Ya Casino	145
Masami Food Inc	132
Marquies Care at Plum Ridge	130

Thank you

A dark blue banner with a white arrow pointing right on the left side. Inside the arrow is the OregonBuys logo, which includes the text "OREGON Buys" and "ORPINS CONTRACT SYSTEM" below it. To the right of the arrow, the text "Vendors—Register for OregonBuys" is written in white. Below this, a smaller line of white text reads: "ORPIN will soon be replaced with OregonBuys. All vendors must register for OregonBuys to continue doing business with us." On the far right of the banner is a circular button with a white arrow pointing up and to the right, and the text "REGISTER NOW" in white.
