BACKGROUND:

In September 2020, the State Board of Education adopted Oregon Administrative Rule 581-022-2312. The rule requires education providers to adopt policies that prohibit the use or display of hate symbols on school grounds or in any program, service, school, or activity financed at least partially by state funds and establishes requirements for providers to respond to bias incidents.

House Bill 2697 A enacts similar requirements into law.
