**BACKGROUND:**

In the First Special Session on 2020, House Bill 4212 made several changes to statutes in response to the coronavirus pandemic. Among them, a proposal from the Oregon Law Commission to allow remote notarization of some documents was allowed on a temporary basis. The sections dealing with remote notarial acts are scheduled to sunset June 30, 2021.

Senate Bill 765 makes permanent the changes in House Bill 4212 as applied to notarial acts.
