

Accelerating Electrification for Oregon Agriculture

House Committee on Energy and Environment

May 5, 2021

SUSTAINABLE NORTHWEST

MISSION

Natural resource solutions that work for people and nature.

OUR FOCUS

Sustainable Northwest brings entrepreneurial solutions to natural resources challenges to keep lands healthy and provide economic and community benefits. We believe a healthy economy, environment, and community are indivisible, and that all are strengthened by wise partnerships, policies, and investments.

Balancing Electrification Benefits

Our Solution

Accelerate the electrification
of Oregon's agricultural
sector

A woman with blonde hair, wearing a dark jacket and blue jeans, is sitting on a blue and white tractor. The tractor has "SOLECTRAC" and "WESTENDORF" written on it. She is in a barn or workshop, with various tools and equipment visible in the background. The scene is lit with natural light from a large window on the left.

Project Partners

-
- Sustainable Northwest
 - Forth
 - Wy'East RC&D
 - Bonneville Environmental Foundation
 - Community partners: Rusted Gate Farm, Crook County, Oregon State University

Thank you!
