...but does not authorize wagering on any animation, computer simulation or other artificial representation of horse racing...

ORS 462.155¹

Wagering on races previously held

Text

News

Annotations

Related Statutes

- (1) The Oregon Racing Commission may allow a race meet operator that holds a Class A license to conduct mutuel wagering at the licensee's race course on horse races previously held if:
 - (a) The races were actual events held at race courses during race meets;
 - (b) The races were subject to mutuel wagering at the time the races were originally held;
and
 - (c) The race meets at which the races were originally held were approved by the commission or by an equivalent regulatory body in another state.
- (2) Subsection (1) of this section allows mutuel wagering on a horse race displayed as a video or audio recording, or another form of recording approved by the commission, **but does not authorize wagering on any animation, computer simulation or other artificial representation of horse racing.**
- (3) Subsection (1) of this section does not apply to a race meet operator described in ORS **462.057 (License and other fees and purses)** (2). Subsection (1) of this section does not authorize off-race course wagering or multi-jurisdictional simulcasting for horse races previously held. [2013 c.275 §2]
